

CONSTRUCTION ENGINEER JOB POSTING

About Yogi Kwong Engineers, LLC

Yogi Kwong Engineers (YKE) is a progressive, award-winning firm that specializes in a wide variety of challenging engineering and construction projects in Hawaii and throughout the Pacific. YKE is conveniently located in Honolulu and offers excellent employment benefits and growth opportunities through professional development.

We are actively seeking a Construction Engineer to join our team of dedicated professionals, embrace our company culture and values and be an active contributor to our company's growth, progress, and achievements. This position will perform construction site observations, field instrumentation and monitoring, and assist with a variety of general coordination preparation and other tasks in the field and office.

Apply today if you are passionate about progress, learning, collaboration, and teamwork.

Position Duties:

- Read and interpret plans, specifications, reports and permits to verify contractor compliance.
- Observe and document construction activities and prepare detailed field reports that include photos, detailed sketches, and annotated drawings.
- Perform/observe field tests and data input, as needed.
- Communicate with various parties, including but not limited to the contractor, client, agencies and the project team in the field regarding construction progress and contract document requirements.

Position Requirements:

- Bachelor degree in Engineering from an accredited college or university (preferred).
- Comfortable working outdoors.
- Valid US Driver's License.
- Flexibility to work more than 8 hours per day and/or 40 hours per week; night shifts, weekends and holidays, as needed.
- Ability to obtain base access pass and security clearance to access government and military restricted areas.
